#### Be careful to **Replace products** and **Reapply selection** as changes to product selection and volumes will be applied if the allocation key has been changes since the units

were added.

#### Options when editing several promotions in one go

### Promotion

Enter:

- Name, KAM, State, Type, Purpose and Media: Select the information from the drop-down lists.
- From day: Select the day for when the promotions starts.
- To day: Select the day for when the promotion ends.

The From day and To day are the days, the promotions go from and to. E.g. if you want your promotion to go from Tuesday to Sunday, you set From day to Tuesday and To day to Sunday. Then the promotion is valid from Tuesday until Sunday.

You can adjust the weeks in both From day and To day. If you e.g. adjust the week in From day to "-1", the promotion will start a week earlier and if you select "1" in To day, the promotion will end a week later.

In Delivery you can copy the delivery profile from the first marked promotion to the other marked promotions.

In "To these promotions" you can select the promotion ID for the promotions, you want to copy the delivery profile to.

### Baseline effect

In Baseline effect you can replace any existing baseline profile. However, this is only possible if you have promotions with the same customers.

## Replace products

In Replace products you can replace an outgoing product with a new one. In Find what you click Browse and select the products you want to replace with new ones.

In Replace with you select the new products, you want to replace the old ones with.

When you have chosen the products, you can adjust the forecast %.

Read the important general notice in the info box to the left, before replacing products.

### Reapply selection

In Reapply selection you can reapply selection to the selections on the promotion.

If the selection has changed, products will be added or removed. Also, volumes will be adjusted if there has been any changes to these on the promotions.

Click Reapply to re-apply selection to the promotions. A pop-up window appears asking if you want to edit the selections. Click Yes.

*Read the important general notice in the info box to the left, before reapplying selections.* 

## Reapply allocation keys

In Reapply allocation keys you can reallocate the units on the promotions you have selected according to the current allocation keys.

Click Reapply to reapply the allocation keys for the marked promotions.
